

Susanne Sprowl Community Service Award

Call for Nominations

2009

Susanne Sprowl was a 20-year staff employee of the University of Guelph. All of us at the University are part of a community based around our jobs. Susanne used her talents to make the workplace more than a job. She made those around her feel they belonged to a community. Whether you were faculty, fellow staff, graduate or undergraduate student, Susanne was there to help. She volunteered for many activities, both on and off campus, because they were the right things to do and she enjoyed helping people. Susanne enriched the lives of all who knew her. Many other staff members at the University of Guelph also create a sense of family and community. This award, in Sue's memory, is dedicated to saying thanks to those who give their time so generously to others.

A cheque for \$500* and a certificate will be presented to this year's recipient by the President, Steelworkers Local 4120, at the Community Breakfast.
